

## Equity Announces Addition of Drunch Eatery + Bar to its 250M Mixed-Use Development, TruePointe.

**Hilliard, OHIO (May 16, 2024)** — Equity, a nationwide commercial real estate firm ([www.equity.net](http://www.equity.net)), announced today that Drunch Eatery + Bar will be part of its \$250M mixed-use development TruePointe, located in Hilliard, Ohio. Drunch is an all-day brunch concept that serves creative, locally sourced dishes and specialty cocktails, aiming to provide an exclusive experience for brunch lovers.

Aaron Heath, the Senior Vice President of Brokerage at Equity and the Retail Advisor for TruePointe, identified Drunch as an ideal fit for the Hilliard mixed-use development project. “Their [Drunch’s] commitment to delivering a unique and unparalleled culinary experience resonates strongly with the vision that Equity has for this expansive development project. Aiming at creating a vibrant and dynamic live, work, play environment, Drunch, with its reputation for culinary innovation, perfectly aligns with contributing to this vision,” said Heath.

The anticipated grand opening for Drunch is Fall of 2025.

### About Equity

In 1987 Equity (<http://www.equity.net>) started as a small company with a big vision: to provide full-service real estate solutions. Now, over 36 years later, with 9 offices nationwide, Equity has evolved into the one of the only commercial real estate firms specializing in providing a full suite of commercial real estate services. Equity has divisions for development, construction services,

project management, brokerage services, property management, and asset management. This approach allows Equity to maintain quality control while assisting customers and clients throughout the entire process. No other organization in the commercial real estate sector offers such a comprehensive, service-based approach to their customers and clients--this is the Equity 360° Advantage.
